Hi Jayne--

Here are my rough comments...wanted to get something to you today. Ppt is a little hard to edit and show changes so I went ahead and revised slide/note text and included some comments (bold italics at the top of the next section).

For the most part, I tried to simplify slides where possible (save all the details for the TPs rather than slide bullets) and be consistent with lang. in our rollout and/or RtC docs.

If you have questions, let me know.

Thanks again for your leadership in putting the first draft together...always very helpful!

Hi All,

Attached is a very draft PowerPoint presentation for Christine's presentation for your review. I included a few questions on the notes section of the slides using bold, italic font (such as whether to include certain slides).

I am willing to take comments through COB on Monday and revise on Tuesday  
Who would like to take over the lead after May 5?

Let's shoot for completing a draft for the May 7<sup>th</sup> OR CZARA Manager's meeting.

Cheers,

Jayne
